International Edition

(Based on VPAT® Version 2.4)

Name of Product/Version: Explaining Human Culture (EHC)

Report Date: 28 April 2021

Product Description: In this database, Explaining Human Culture (EHC), we provide a way for researchers to uncover the tentative answers from over 1000 cross-cultural studies by searching for topics of interest. We also include topical summaries of what we have learned from cross-cultural research, or more precisely, what we think we know, and to point out some of the things we do not yet know.
