

eHRAF TEAM PRESENTATIONS

- eHRAF presentations are based on activities featured in [eHRAF Workbooks](#).
- The dates of the eHRAF presentations will be listed on the course schedule.
- Each presentation should be approximately 40 minutes in length.
- Following each presentation there will be 5 minutes for discussion.

eHRAF PRESENTATION FORMAT

Part I – SUMMARIZE

- Provide a general overview to this topic, including basic concepts and terminology.

Part II – SYNTHESIZE

- Demonstrate how this topic connects to information and concepts in your textbook.

Part III – eHRAF RESEARCH

- Share your eHRAF database research process, including screenshots of your searches.

Part IV – CONCLUSION

- Tell us what you discovered about the topic through your eHRAF database research.

NPR TEAM PRESENTATIONS

- NPR presentations are based on stories featured by [National Public Radio \(NPR\)](#).
- The dates of the NPR presentations will be listed on the course schedule.
- Each presentation should be approximately 40 minutes in length.
- Following each presentation there will be approximately 5 minutes for discussion.

NPR PRESENTATION FORMAT

Part I – SUMMARIZE

- What are the main points about the topic presented in this story?

Part II – SYNTHESIZE

- How does the story connect to information, terminology, and concepts in your textbook?

Part III – RESEARCH

- What relevant information can you find about the topic which is not covered in the story?

Part IV – REFLECTION

- Is the argument presented in the story convincing? Why or why not?
- How might you approach this topic as an anthropologist?
- Do you have suggested questions for further research?

**eHRAF TEAM
PRESENTATION TOPICS**
